Dear Mr. Young:

Thank you for supporting my fundraiser on August 20, 2009. Your generosity and support is greatly appreciated.

As you know, I am a passionate advocate for fishermen, hunters, trappers and sportsmen. Unfortunately, the New York State Legislature seems to think that increasing fees, cutting services (that are paid for by sportsmen) and creating tougher regulations are the correct tactics to managing the resources. Be assured that I will continue to fight for you in Albany and at home.

Thank you again for your contribution. I genuinely appreciate it.

Sincerely,

Ginny Fields
